

- Defendant United States of America's Reply in Support of Motion for Partial Summary Judgment on Phase Two Issues (Mar. 23, 2018), Dkt. No. 220 in 4:10-cv-02386 and Dkt. No. 150 in 4:11-cv-01814; and
- Defendant United States of America's Second Supplemental Statement of Undisputed Facts in Support of Its Motion for Partial Summary Judgment on Phase Two Issues (Mar. 23, 2018), Dkt. No. 220-1 in 4:10-cv-02386 and Dkt. No. 150-1 in 4:11-cv-01814.

The corrections to the preceding documents address typographical and citation errors and the addition of one exhibit inadvertently omitted, which has been designated U.S. Exhibit 303.

Please also take notice that, by agreement of the parties, Plaintiff ExxonMobil has released its claims of confidentiality as to United States Exhibits 2, 10, 11, 12, 14, 15, 28, 116, 149, 150, 151 and 162. Exxon has also released its claims of confidentiality as to the majority of United States Exhibits 114 and 115, and the parties have agreed to certain redactions so those exhibits may be filed publicly. As a result, the United States' Corrected Memorandum in Support of Motion for Partial Summary Judgment on Phase Two Issues, Corrected Statement of Undisputed Material Facts, and the above-referenced exhibits will be filed publicly.

Lastly, please take notice that, pursuant to Local Rule 5.1, the Court's Administrative Procedures, and permission from Chambers (which the parties sought in connection with the December 2017 motions for summary judgment in these cases), the United States is conventionally filing all exhibits accompanying the corrected filings (U.S. Exhibits 1-303) by thumb drive. The United States will submit two copies of the thumb drives, one for each of the two above-captioned cases.

Respectfully submitted,

Dated: June 8, 2018

JEFFREY H. WOOD
Acting Assistant Attorney General
Environment and Natural Resources Division
